October 2010

E

Dear Friend:

This is October and I can hear the snow around the corner. I am already receiving Christmas lists, as they begin to dream..

This is a conversation overheard in our girl's house. A new girl about 12 years old came to us and she was crying. All of a sudden I hear another youth, who has been with us for about a year, say, "don't cry, you know Christmas is coming and you make a list and all these people make sure you get the things you want. They send letters that make you feel good, so don't cry". It makes me want to cry.

Last year many people donated gift cards, this is a gift that keeps giving all year long. Many children come without the necessary clothes and other needs. Cards for Wal-Mart, Meijer's, and Target provide those needs. Gift cards that help the most are food cards from Kroger, Marsh or Jungle Jim's. Fast food gifts cards for when the children go out on recreation. These cards can be a life saver when our funds are low. Gift cards help in the needs of the child.

Keep praying for our children, for in their lives there is hope.

Child of the Month

A small child came to us, you know, the age of our children has dropped to eight. This child has suffered years of abuse and neglect. She had been separated from her brother and sister. When she came she had a pair of pink slippers. She held onto the slippers all of the time. She slept with them on her pillow next to her face. When taking a shower she would place them nearby on the floor. She wouldn't talk about the slippers.

Then one day she put the slippers away. This prompted me to ask, "why did you put them away?" Her answer was, "they were my Mother's, before she died". "I'm just going to let them (the slippers) sleep so I can go and play.

God does miracles when you believe, even if it's slippers.
