A dream come true.....

She came with doubts of where she was going or who she really was. Then one day she began to make posters. We asked "What are the posters for?" She replied "I'm going to run for Princess of the Freshman Student Council dance". Then she came and said "I need a dress— I'm in the court". The dress was beautiful as you can see. She was so excited and off to the dance she went. She truly looked like a Princess. Half the dance went by and then my cell phone rang. All I could hear is "She Won! She won!" As I spoke to her the next day she said "I can't believe what all One Way Farm did for me— my dress, my hair, my nails. It's just all too much. I just can't believe it. It's my life dream come true."

And I must add one more thing to this story — these amazing things happen here at One Way Farm because of you. I hope by reading this story you can see and feel the tiera they placed on her head...and she so proudly wore it home.
