November 2010

Dear Friend:

I have received many success stories over the years. A young lady who stayed with us in 1977 has had her first book published. Another just passed the bar exam and is an attorney.

There are those who have become Mother's and Father's. I sit in my recliner and a knock comes at the door. They all want to know if I remember them. Sometimes it is the gentle smile, or the little tricks they played. And at the time they come, more often, is to tell me they have had their first child or have bought their first car. There they all are, all 8,000 and more. Soon the greatest gift of mankind will appear. Begin over and over again.

### Child of the Month

There was a small girl. She had dark hair and eyes. She was doing so many chores to get tickets to buy her Mother a Christmas present. She even made the wrapping paper, with sayings, I Love You Mommy, on it. Christmas day she waited on the bench by the door. The day began to pass and she said "she's not coming." She began to tear up the present and ran out of the house. I ran after her and soon we both fell in the winter night. I asked her to look at the stars and then explained the star of the east, it will always be there for you. Suddenly I felt her body go limp. She had fallen asleep in my arms under the pressure of the tears. You and I are here to hold and to sweep away the tears. Have a blessed holiday.

### Holiday Cards

Let the children of One Way Farm

Children's Home make Holiday cards for you. The children earn 30 cents for each card they make. The front of the card has a picture made from a child.

Inside there is a brief description of One Way Farm Children's Home and our mission. Show your support and help the children earn extra money for buying gifts and bring a blessing to your friends.

Call Teresa to place an order at 829-3276 ext. 105.

## The Holidays

Our trees must go up by the middle of November. Lights must be around their beds because that is when the crying begins. I am a little concerned this year for the children and their wish lists. Just because the world is in financial crisis I need your help more than ever to be sure they have a wonderful holiday. I know there are many Santa's who will go to work with their sleighs, reindeer and elves to bring hope to the forgotten children of One Way Farm Children's Home. Please call Brenda about how you can help at 829-3276.

### ***WE NEED YOU***

*Last year we ran out of food. Not only for the children but for our animals. Our needs change monthly. If you can organize a food drive or provide gift cards for grocery stores please call Brenda at 829-3276 or e-mail at [bsoneway@fuse.net](mailto:bsoneway@fuse.net)*

### ***Are you creative and organized???***

*Jody Canupp has joined hands with One Way Farm Children's Home to create fund raisers throughout the year. She needs your help and skills to be successful. If you are a behind the scenes kind of person and willing to work hard for the children, then she wants you.*

*Please call Jody at 829-5683  
or e-mail at [jcanupp\\_oneway@fuse.net](mailto:jcanupp_oneway@fuse.net)*

Please keep in mind.....

We use gift cards all year for the children's recreation, food, clothing, personal items, food for the animals, gas to take them places and much more.

**Many children come to One Way Farm Children's Home that have been caught up in their environments. Many times these environments are filled with neglect and crime. To adjust to a home setting takes time. Children this time of year have a difficult time. They need the love and warmth that you and I provide for them by a caring hand.**
