February 2008

Dear Friends:

This past year was our 31st year at One Way Farm Children's Home. This Christmas, I received the most unusual and touching request in the form of a wish list. The paper had a hand drawn picture of a woman and inside of her was a baby. The words began to describe a mother and her baby. Then it began to say, "all I want for Christmas is to meet my birth mother", and ended "cause I don't belong anywhere." This small boy is eleven years old. You and I can create somewhere for him to be. We can bring his self worth and spirit into the light. Another child can become whole. He sat in my office after Christmas and cried. As I reached down to hug him, I could feel the assurance that he belongs somewhere. For that is true. He has found the love he so desperately needs and the faith to go on.

In Service of the Children,

Barbara J. Condo
Executive Director and Founder

Star is a 7 year old Golden Retriever who suffers from arthritis. Her medical needs are \$75.00 per month. Could someone sponsor Star? She has had many masters and loved them all.

Our Animal Therapy Program

The animals at One Way Farm Children's Home are the one thing the children can touch and and feel unconditional love.

Star is on a special diet and needs canned carrots. The other pups need food.

Peter is one of the rabbits who is in need of rabbit food and pellets.

Lola is one of our ferrets who is in need of food and litter.

We have many, many cats who are in need of litter and food.

Maybe a group of children could gather these needed items... children helping children.

If you can help the animal therapy program, or for more information on the items needed to keep the animal's diets consistent, please give us a call at 513-829-3276

Every Day Needs

Breakfast meats and hamburger, copy paper, plastic spoons, 3 oz. cups,
liquid dish washing detergent, paper plates (no Styrofoam please).
Certificates for oil changes, car washes, gas and food.

We would like to replace all of our light bulbs with the new energy saving bulbs.
Twenty six, 60 watt bulbs are needed for each shelter.

Expenses need to be cut

In order to do so we need volunteers with maintenance skills.....
a plumber, an electrician and an auto mechanic.

*Open Every Saturday
8 am to 4 pm*

Our Barn/ Thrift Store is now open every Saturday.
100% of the sales from the barn goes to the children. It provides
recreation, extra activities, graduation expenses and much, much more.
Donate your collectables, good furniture and antiques to the store to
support the children's needs. We can pick up your large donations.
Call Sue at 513-829-3276 to arrange a pick up.

Volunteers are needed for the store.
Call Brenda to set up a time for you or your group to come and help out.

The children had a wonderful Christmas. They laughed and cried. Once again, you made the life
of a child happy. They were children again. Thank You.

When the door opens you hear the clatter of their voices: Children talking, laughing, walking about.
This is daily life at One Way .Farm Children's Home.
