December 2009

Dear Friend,

The star shines brightly in the east.

This has been a very hard year. We need your gift of love for the winter months. Often, I look out over the land that holds the future of many children. We must move toward their care and bring back the joy in their lives. At this time of the year, many children who once lived at One Way Farm stop in, or call about their memories of a home. Love brings them back to the roots that made them what they are today with your support.

A tall man walks into the office, and as all the others asks, "Do you remember me?" How can you forget? Their smiles are the same, and their tears are the same. "I miss you, but I am doing ok" .

This week I received a \$3.00 check from a man in the Ohio Penitentiary, who he was I do not know. He said in the note, "for the kids". What a Christmas spirit!

CHILD OF THE MONTH

Many years ago I had a small pale child that had mental health issues. She was about twelve years old and she lived here for a period of time. A Christmas came after she had gone, the snow was falling and it was quite cold. A knock came on the door. I could see a shivering girl with no coat and a small item in her hand. I opened the door. "I asked, "Where is your coat? How did you get here?" "I came from Hamilton," she replied, "I wanted to give you a Christmas gift." I brought her inside and wrapped her in a blanket. Her small hand opened and there lay a travel set with an Elder Berman tag.

What would make a child to walk five miles in the blistering cold to give a gift?

Love, that is what Christmas is all about...

Save the Children

Become an ambassador for the children. Request one of our pins to wear and share on a daily basis to save the children.

They await their dreams.

A wonderful gift for Christmas is fast food and gas Gift cards. We use them for the children's recreation and trips to museums, the movies and ball games. Wal-Mart and Meijer gift cards help us with all of those unexpected needs that come up when you have children to care for.

GIFT CARDS....THE GIFT THAT GIVES ALL YEAR LONG.

We have experienced many unexpected expenses in the past month. A hot water heater went out and it cost \$1175, and we were told the other one is going to go soon. When winterizing the vehicles, several had some other repairs to be done.

Winter Recreation... The children who have no one, need places to go during the upcoming holiday break. Do you have any ideas?
