Dear Friend:

This letter comes in a time of desperate need due to the economy. The need for funds to operate are crucial.

There are many good things happening. The Social Services Department at UC has signed a contract with us for social workers to help in the houses with the children, giving them a one on one opportunity to address their fears and behavior.

We strive to care for the children. This care has a financial cost. We are asking for a monetary gift that is desperately needed. We gladly accept Visa, Discover and Master Card for your convenience. Your gift of love is extremely needed at this time. Just call 513-829-3276 or go online to our web site, onewayfarm.org and use pay pal.

When the children come so young as 7 and 8 years, we can only hold their hand. Please hold our hand at this time. If you can pledge to us, please do so.

In Service of the Children,

Barbara J. Condo
Executive Director and Founder

We need contestants to pledge themselves, in their costumes, to raise funds for the children. Sign up early, so you can collect votes from your friends and family to win the

Grand Prize

Votes are \$1.00 each.

Call Brenda at 513-829-3276

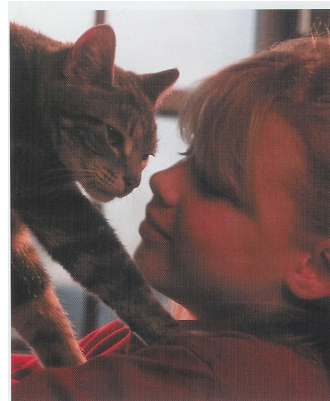

To register for the contest so you can get started.

Our Vet bills are very high due to vaccinations, flea control, heart worm medication and those animals that need emergency medical care.

We are asking our lovers of animals to please help us in this need.

The animals are vital to the recovery of children who have suffered abuse.

SCHOOL STARTING

The children all got up for school, of course the new clothes helped.

One child came up to me and said "See the shirt you bought, I'm wearing it to school."

They are very excited!
